FUSION · Foam & Fabric

AIR Foam is the latest generation of memory foam offering a unique combination of softness and support. The humidity and temperature balancing features of AIR foam are paramount – and it feels like sleeping on AIR.

Cotton/Down Cover is an exclusive 100% soft cotton fabric and a soft layer of the highest quality downs. This cover is chosen for the super soft feel, moist absorbing and transporting features and heat retaining abilities. As good as it gets. Try it and be convinced.
