## NATURE · Foam & Fabric

### AIR Bamboo Charcoal Foam

is the latest generation of memory foam offering a unique combination of softness and support. The humidity and temperature balancing features of AIR foam are supplemented by an infusion of bamboo charcoal powder, which provides odour and humidity regulation - for cleaner and healthier sleeping.

### Linen Blend Fabric

is a soft natural linen blend fabric of high quality. It is explicitly chosen for its cleansing and moist balancing properties. With the environmentally friendly all natural anti-dust mite and bacterial protection, Green First®, you are guaranteed a better and healthier sleep. A wise choice for you and your family.
